SERIES

300X
600MM

We are glad to introduce **IVANTA CERAMICS PVT. LTD.** as one of the leading manufacturer and exporters of digital wall tiles with variety of design and size based in Morbi, the state of Gujarat, INDIA.

We are equipped with imported machinery and employing advanced Italian technology to ensure international quality products. Our production capacity is 15000 sqm. per day with different internationally well accepted designs. We produce contemporary digital glazed ceramic wall tiles in size of 300x600mm with various finishes like satin, glossy, matt and rustic in special & super special colour etc.

We accredited with ISO 9001:2000 certified processes for quality assurance of international standards. Having best infrastructure and imported machinery in the area to manufacture international quality ceramics. More over, right from raw materials to finished products, the entire process is carried out with extreme care to provide you robust, error-free, and durably international quality products.
